- At last the sails are up over the outdoor classroom, just in time for the weather we have had! They look fantastic and many thanks to you all for helping us raise the funds to buy them.

A big, huge thank you to retiring Chairman of the FoD's, Noni and her amazing team of class reps for doing such a fantastic job over the past academic year! All your time and hard work has been much appreciated by everyone.

We would like to also say thank you and goodbye to Fiona, Helen, Dot, Kessie and David. On behalf of everyone we wish them luck and happiness in the future. We will miss you!

Goodbye also to all pupils who are moving to pastures new and we look forward to welcoming all the new families in September.

Wishing you all a happy and relaxing summer holiday! Let's hope the sun shines.
