

Friends of Dunannie

Welcome Drinks Tonight

Welcome to a new term and a special welcome to the new Dunannie families.

Just a little reminder that we will be serving drinks, hosted by Jo Webbern in the library from 6pm - 8pm, **tonight 9th September.**

Who we are?

The **Friends of Dunannie** is the collective name for the individual parent representatives of each class in the school.

We serve as a conduit between the parents and the school, enabling issues to be raised and feedback passed on quickly and effectively.

Above all we support the school and its teachers, promote the vibrant community spirit that exists at Dunannie and embrace the Bedalian ethos of developing “Head, Hand and Heart” as the key to our children’s growth. We also provide a sense of continuity with Dunhurst and Bedales through regular contact with their equivalent parent bodies.

The Friends have a particular role to play in welcoming new families, organising coffee mornings and other social events. In consultation with the Head, we also raise funds for facilities and equipment not normally funded by the school, as well as supporting charitable causes throughout the year.

Florist Divas?

Watch this space as a new rota system will be outing those with flowery fingers....a sign up sheet is up in the Entrance Hall.
