

1 MAY 2020

THE FRIDAY LETTER

WEEKLY NEWSLETTER OF DUNANNIE SCHOOL

Dear Parents

I hope this letter finds you well, as another week of remote learning draws to a close. From the feedback received the children have continued to enjoy many lessons online, remotely learning maths, English, science and taking part in a variety of art and creative activities, including baking, bushcraft and model making.

We have continued to deliver assemblies daily for all the children. I hope this is helping them and you to continue to feel part of the Dunannie community. Assemblies for Reception to Year 3 are now available on Microsoft Teams, in the Team called Dunannie Assemblies. If you have not yet had time to watch them, we had a wonderful assembly on Monday with Kate Winslet, reading *Green Eggs and Ham* by Dr. Seuss, a book first published in 1960 but still very popular today, Tuesday was Yoga and Meditation, Street dance was on Wednesday with Danni Lannoy and Ben delivered a great musical assembly yesterday. I'd like to thank everyone for delivering an assembly we appreciate all the time and effort that goes into these. Once again today we celebrated our achievements and shared some of our home learning successes. Please keep sharing these with us.

Please do take a few minutes to scroll down through this newsletter and look at some of the amazing pictures we have received this week of the children's work as well as the activities and adventures they have been having at home. Please keep sending them in to inspire and let the children see each other as I feel that is what they are missing the most.

.....

This week you will have received an email inviting you to participate in a survey which is being conducted across all three schools. Please take the time to participate as it is part of a wider UK survey being conducted by RSAcademics. We are keen to hear your views so that we can make any necessary improvements to the online offering.

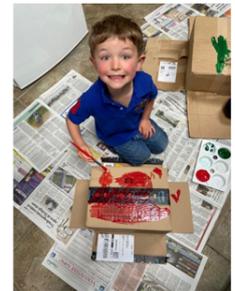

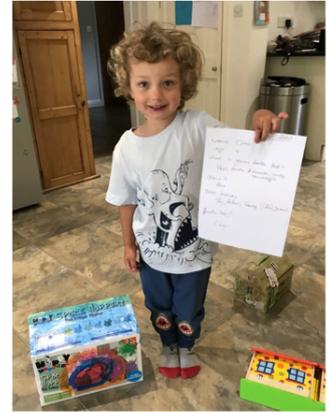

If you have any feedback or questions about the remote learning experience or just generally we welcome this, so please don't hesitate to get in touch. Wishing you all a wonderful weekend and I look forward to a time when we are all back together again. Stay safe and well.

Best wishes

Victoria

.....

NURSERY

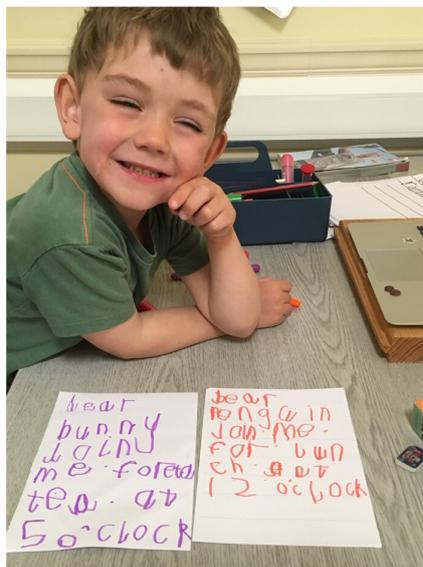

Nursery

children have blown Natalie away with their creativity and positivity! Your videos have made her smile all week! Gabriel has made delicious biscuits. Otto, Mylo and George B have filled their time capsules with all of their favourite things. Harriet, Leo, Liliana and Mollie explored 2D shapes and Artemis has made dinosaur fossils.

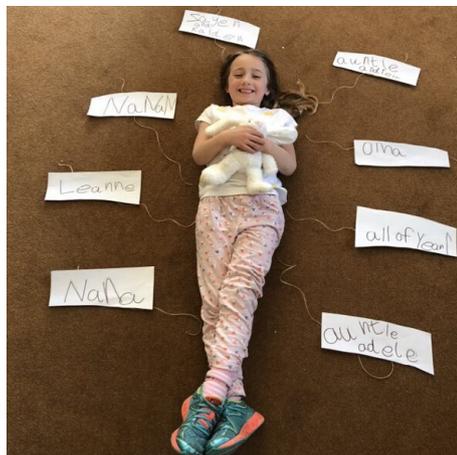

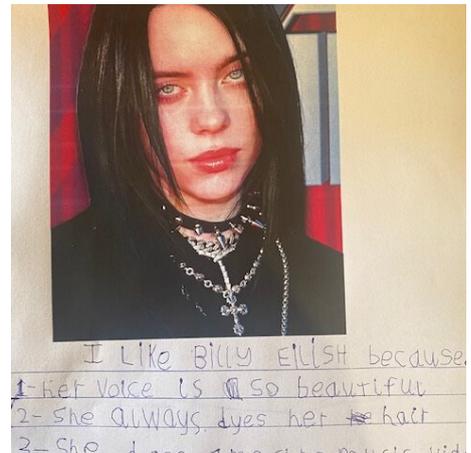

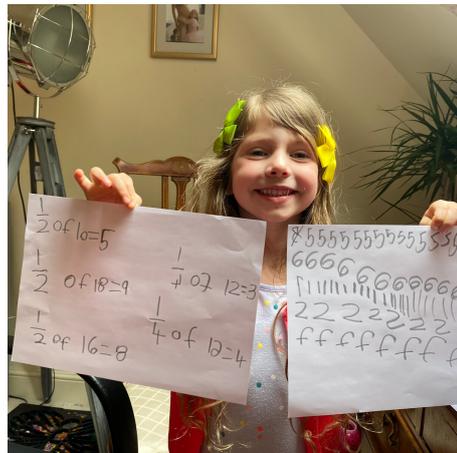

RECEPTION

Reception class have been busy with their maths, phonics, sounds, reading, writing and model makers this week. Thank you for the lovely pictures, it's great to see how you are all getting on at home.

YEAR 1

Year 1 have been thinking about who they are cannot visit, but how they can connect with them, as well as working on fractions in maths and studying an artist or band.

YEAR 2

YEAR 3
