Letter from Colin

Dear Parents and Pupils,

We welcome the current Indian summer at Dunhurst. It's such a treat to be at the end of September and still be able to be outside without the winter woolies on! Tomorrow is looking great for our annual Badley Morning - working Bee - countryside walk - ploughman's lunch.

Thought of the week

What you do has far
greater impact than
what you say.

— Stephen Covey

Family supper debate, just for fun!

A fit and healthy 92 year old has the below message pinned to her fridge.

Rules for life

Reach for the Stars

Be creative

Build a house

Ride a bike

Bounce on the bed

Imagine and make music

Look for shapes in the clouds

Laugh a lot

Dream BIG

Run barefoot

Climb trees

Spin until you are dizzy

Roll down a hill

Dance!

Do you think these rules have anything to do with her being so fit and healthy at 92?!

Some highlights from the week that was...

The Block 1 Camp out was a great success last Friday. An afternoon of team building games including making a shelter to sleep in! Everyone showed fantastic team spirit, good relationships were built and there were smiling (if not slightly weary) faces the next morning. The experience also gave tutors a chance to really have got to know their tutees.

Thank you to all Groups' children who came into school on Saturday for Open Morning. Our visitors commented on how polite and thoughtful everyone at Dunhurst is. One parent said to me "it is like these children actually enjoy being at school!"

[BACK](#)

Letter from Colin

It was wonderful to welcome Pippa Lock to school on Monday. Pippa is an ex Dunhurst and Bedales pupil. She is currently playing in the Investec Premier Division as well as representing England Hockey U21s and part of the Great Britain Development Squad. We were extremely lucky that Pippa was able to come into school, talk about her journey to elite performer, and impart her knowledge on to our hockey players. She delivered an assembly for all the children, then gave coaching sessions.

Another great week for the sports teams, with 12 in action this week. Various tournaments were held, with the Blocks' Football and Hockey teams competing strongly at Highfield and narrowly missing a place in the final. Meanwhile the U11s were at Prebendal, trying to emulate the U13's victory last week. The U9 Footballers continued their unbeaten start to the season with a 3-0 win at Great Ballard and the Groups' Netballers are improving each week, as they have worked hard in their two fixtures.

Group 2 had an early start in preparation for their trip to Osborne House on the Isle of Wight. Osborne House, Queen Victoria's former holiday home, was an interactive learning experience which enhanced the knowledge and gave the children a day to remember!

Group 1 were feeling inspired by the Ivon Hitchens exhibition at Pallant House on their Art trip this week. They explored the painterly work of old Bedalian Hitchens, discussing a sense of place, colour and space. Watch out for our outcomes, to be shown in a forthcoming pop-up exhibition at the Pallant House Gallery.

The Outdoor Work doggy mascots, Maggie and Mabel, are enjoying being back at school, receiving all the love and cuddles. Lots of blackberry picking this week, which has been made into delicious jam, then smeared over pancakes - is there a better way? Just as you think the ODW experience can't get any better, the highlight has to be the honey harvesting!

Today is 'You are Awesome' Movement Day. This is not a charity, it is a wonderful movement raising awareness of the brave and heroic work our service men and woman do, saving lives and keeping our country safe. Please take a look at the link below:

<https://www.awesomemovement.co.uk/what-is-it>

There is also a 'Strike 4 Climate March' taking place all around the UK and the world. There were some 300,000 people marching in Australia alone. Pupils had an opportunity to go with their parents to the one in Petersfield and it was great that they could represent themselves and Dunhurst. We are a big supporter of Climate change; do read more here about what has happened today around the world:

<https://www.bbc.co.uk/news/uk-49767327>

We are looking forward to welcoming Harriet Waley-Cohen to JAW this afternoon.

I am delighted that Marika Hackman will be performing at The Bedales Theatre this evening. Many of us taught Marika when she was at Dunhurst. Her passion for music and her strong sense of determination has got her to where she is today. Her songs have been streamed more than 65 million times on Spotify alone!

Board not Bored- from Houseparent's, Alice and Simon

This week we took the Block 2 boarders to see 'Singing In The Rain' performed by the Petersfield Youth Theatre. It was a thoroughly enjoyable performance and it was great to see some of our friends from school on the stage. We held our half-termly Boarding Forum on Thursday, when the boarders were able to have their say about ideas for their boarding houses. Tomorrow night some of our boarders will be going to see the wonderful Marika Hackman perform at the Olivier Theatre. On Sunday Susan is going to be entertaining the boarders at home.

Letter from Colin

A few reminders

- **Saturday 21 September** - Badley Morning – everyone is welcome. Parents, neighbours, siblings and dogs. Bacon baps on arrival followed by a community-working bee, then a choice of two walks. On return, a much-needed hearty ploughman's in the playground. Badley morning will finish at approximately 13.30 with normal train times for boarders. Do take a look at the Bedales website which gives you more history about John Badley and the school <https://www.bedales.org.uk/home/about-bedales/history-bedales>
- **Friday 27 September** - MacMillan Cupcake sale. Please bring your cake donations to the dining room on Friday morning. *Please remember we are a nut free school.* All pupils who wish to support this event need to bring money for the cake sale, which will be held at break time. If there are any cakes left over, they will be sold again after JAW.
- **Friday 27 September** - Long leave Weekend. School finishes for everyone at 15.30 next Friday with no Saturday School.
- **Saturday 19 October** - The Great South Run.
If you would like your child to take part, please register your son/daughter and use the link below to pay the fee.

<https://www.greatrun.org/great-south-run/junior-and-mini-great-south-run>

Just so that we know how many will be attending, could you also drop Heather a quick email and let her know that your son/daughter is running. Heather's email address is hlowe@bedales.org.uk.

Please note that it is the Block one play that weekend, so sadly they will not be able to take part.

Well-behaved dogs are welcome at Dunhurst, but sadly, with dogs, comes their mess! Recently we have had surprise parcels found in the playground. Please ensure if your dog poops, you scoop!

In closing, I am pleased to announce that Marianne De Giovanni will be joining the School Teaching Assistant team. Marianne joins us from Petersfield Infant School where she has worked with individual pupils. She has a Master's from Bournemouth University and studied her BA (Hons) at Bristol, more recently she gained her PGCE in teaching at Winchester. We look forward to her joining the staff team on 30 September and know you will join me in giving her a warm welcome.

I look forward to seeing you tomorrow morning for a bacon bap and coffee in the playground, then the working Bee at our Badley Morning.

Parents - Key Term Dates

Saturday 21 Sep	08:30	13:30	Badley Morning - Dunhurst and Dunannie Family Walk
Friday 27 Sep	15:30		Long Leave Weekend
Sunday 29 Sep	18:00		Boarders Return
Wednesday 23 Oct	15:00		Half Term begins

What's Been Happening?

AROUND SCHOOL THIS WEEK

Group 1 'Design Team' young market researchers visit Dunannie.

Group 1 dancing to the 'Skeleton Song' to help them learn the names of our bones.

Dunhurst children taking part in the Climate Change March in Petersfield.

Group 3 were very excited about trialling their water rockets in Science.

Block 2 enjoying some fire-side cooking and blackberry picking (made into jam later on) in Outdoor Work.

What's Been Happening?

GROUP 1 TRIP TO THE PALLANT HOUSE GALLERY IN CHICHESTER

Group 1 enjoyed a visit to the Ivon Hitchens's retrospective at the Pallant House Gallery in Chichester this week. **Hitchens (1893-1979) was an Old Bedalian.** Group 1 have been exploring his work in Art and Textiles and seeing his work first hand brought the project to life. Group 1 will share their artistic responses to Hitchens's work in a 'Pop-Up' exhibition at the Pallant House Gallery on the weekend of the 5th and 6th of October.
Susan

GROUP 2 TRIP TO OSBORNE HOUSE ON THE ISLE OF WIGHT

Group 2 had a wonderful day out at Osborne House on the Isle of Wight yesterday. We took part in a workshop where we were trained as lowly servants to become part of Queen Victoria's household. Following this, we ate our lunch on the beach, and had a look in the Swiss Cottage. Finally, we had a look around the beautiful rooms in the house itself. The Group 2s were a pleasure to take out and we had several lovely comments from members of the public about their behaviour. Well done Group 2.

[BACK](#)

MATCH RESULTS

U9 Football v Great Ballard (W 3-0)

On a glorious day on top of the South Downs, Dunhurst put together an incredibly dominant performance to defeat Great Ballard 3-0. With a huge amount of possession in the first half Leo managed to guide an excellent cross into the opposition goal to open up the scoring. Continued pressure led to George W scoring twice before the half time whistle. Great Ballard started the second half a lot stronger and despite several chances denied Dunhurst any further goals in the match. It finished Dunhurst 3, Great Ballard 0.

Duncan

U9/10 Green Team Netball v Churcher's Junior School (L 1-6)

A mixed team of U9's and 10's faced Churcher's for a versatility match on Wednesday. Dunhurst started the game a little nervously and Churcher's took advantage of this by scoring the first 3 goals. In the second quarter, following a change of positions, Dunhurst really fought back. They chased balls, linked passes and defended hard. Dunhurst won the second quarter 1-0. In the third quarter we were plagued by injury with Marlow and Libby being unable to continue. Churcher's swapped in a strong Goal Shooter and went 5-1 up. Dunhurst struggled to come back in the last quarter and Churcher's won the game 6-1 but Dunhurst embraced trying new positions and never gave up. Well done to Naomi, who received Player of the Match, but it was a great team effort from everyone.

Karen

Blue Team Netball v Churcher's Junior School (L 0-4)

On Wednesday, a sunny September afternoon, the U10 Blue Netball team went to Churcher's. When we arrived it was decided that we'd play versatility, where all of the players are mixed up and play lots of different positions throughout the course of the match. In the first quarter, the girls took a little while to settle, but they seemed to be enjoying themselves, despite going a goal down! The first rotation change seemed to focus their minds and they really started to think in the next quarter. Despite not being able to score, there were some lovely moments where the passing was effective between Dare and Evie. Equally, in the mid court, Liberty and Hermione defended assertively. During the third quarter again there was no score, although both teams had a few opportunities. Sophia and Otilie were strong in defence while Genevieve and Anouk fed the ball into the shooting circle. Sadly, the final quarter was not as positive. Unfortunately the rotation wasn't good for our girls with shorter girls in defence against taller ones from Churcher's. At the end of the game we'd lost 0-4. Not a big defeat, but one to focus the girls on which of their skills need improving.

Debbie

U11B + C Football v The Royal School

U11B + C travelled to The Royal School in Haslemere for this week's fixture.

U11C Dunhurst had a definite plan of action 1. Defend the goal and clear the ball 2. Support each other and 3. Strong passing. The boys played well and achieved all three, though the result was a loss, it could have been much higher! However, the whole team played really well against a much stronger opposition. Goal keeping and clearance was frantic under sustained pressure from the Royal. Dunhurst did make some opportunities to attack but were unable to penetrate the Royal defence and goalie. Final score was a loss of 0-9.

U11B also had a plan, although they were playing two teams (one each half) they started off strongly and stuck to the plan of passing wide and clearing the area well. There was some superb goal keeping and brilliant pressure on the Royal goal. The Royal managed to break through and claim one goal. After a quick half-time break and water top up, they were straight back on against a fresh Royal team. This team was very much stronger than the last, and they scored almost immediately. Dunhurst again played exceptionally well, digging deep and frantically defending and, with some great passing down the wing and cutting in, scored a great goal. Though tired and hot, the players kept their heads up showing great sportsmanship whilst conceding two more goals. Both teams should be congratulated for their team spirit and grit to keep pushing right to the final whistle. Well played boys!

David

MATCH RESULTS

Football Tournament at Prebendal

Group Stage – Drew two, Lost two – finished fourth

Second Group stage – Won two – finished first

The Dunhurst U11s travelled to Prebendal on Wednesday for a six-a-side tournament. They found themselves in a strong group with four other (all A) teams. The first match was drawn against Ditcham with Henry B scoring. The second match was lost 1-0 against Meoncross as was the third match with the same scoreline against PGS A. The final group match was drawn 0-0 with Oakwood. This left Dunhurst needing to take on Ditcham in a sudden death penalty shoot-out to decide fourth place in the group. After six penalties, Dunhurst scored theirs and won the shoot-out. In the Group of fourth place finishers, Dunhurst then beat Mayville 1-0 with an exquisite individual goal from Lorenzo M. They then saved their best performance for the last game and beat Conifers 3-0 with goals from Seb T, Henry B and Tom C.

Steve

U11A Netball v St. John's College (L 1-8)

On Wednesday the U11A had their first league match against St. John's College. We played them the week previously, so we knew we were up against a well-drilled side. Despite that, we attacked our game with determination and the defence in the first quarter by our entire team was brilliant! In the second quarter we had equal possession of the ball but St. John's College had more shots than us and we couldn't quite get the ball efficiently into the circle. In the second half of the game we were unlucky not to score and, although passing choices were improving, we dropped the ball a few times and passed right into the oppositions hands when we didn't clear space. We were delighted to score right towards the end of the game and it was a well-deserved goal! The final score was 8-1 to St. John's. Paige was voted the Bee's Knees. It was a pleasing match to umpire as I could see the growth in the team and improvement of skills in just one week. Keep it up girls!

Sam

U13 Girls' Hockey Tournament Hosted by Highfield

A fantastic afternoon of hockey for the U13s girls who adapted well to a few last minute changes to the team. First up were the hosts Highfield A. Dunhurst took a while to settle playing on grass and played a very much defensive game. Highfield with a home advantage took an early lead and, even with a strong line of defence, Dunhurst found themselves 2-0 down at half time. There were strong challenges from Clara, Sienna and Maia and a gallant effort from Ashlyn who had her first run out in goal. A forward thinking through ball from Clara found Posy, who attacked with pace, and neatly slotted the ball past the Highfield keeper to keep the score line to a respectable 2-1. With inside knowledge of Twyford, we always knew this going to be a tough game. Dunhurst gave them too much respect in the first half and some formidable shots on goal were duly converted. Twyford were 2-0 up at half time and, after a little bit of direction, Dunhurst pushed higher up the pitch and Twyford found it difficult to play the ball through into the D. Some super defensive work from Saffi F kept the forwards at bay and we didn't concede any further goals. Edgeborough were our next opponents. The game started well with Clara managing the central midfield confidently. Some great runs from Evie D kept us in it and solid tackles from Poppy D. Edgeborough changed their formation and Dunhurst found it difficult to adapt to the high player lurking in the D. With the defence struggling to pick up loose attackers, Edgeborough used this to their advantage and coolly converted three goals.

The final game of the tournament was against Highfield B. With only two at the back and deciding to play Evie D high, Dunhurst played their best hockey. Although they conceded early on, Dunhurst got right back in the game and a fabulous ball from Sienna found Posy and then Evie D, who found the back of the net. Dunhurst should have been 4 or 5 up but scrambles in the D thwarted any some good opportunities. A further goal gave us a 2-1 lead into half time. Protecting the lead, Dunhurst played well, however Highfield took their chances and sneakily snuck another goal in to make it 2-2. Saffi F made a fantastic drive down the middle of the pitch and displayed some nifty stick work. She managed to get the ball past the keeper to give us a 3-2 cushion. With the clock ebbing away, all Dunhurst had to do was protect the lead, but in the dying seconds, Highfield managed to make it 3-3. Dunhurst were really unlucky not to have won this match. This was a really fun afternoon, with all having enjoyed the tournament against some tough thoroughbred hockey schools. A really well done to all who took part. Dunhurst player of the tournament goes to Clara S whose stick work and work rate were amazing, well done.

Heather

[BACK](#)

MATCH RESULTS

U13B Hockey v Lord Wandsworth (D 3-3)

This hockey game was played in glorious sunshine. It was end to end from the off and Lord Wandsworth went 2-0 up in the first 10 minutes. Dunhurst kept their composure and, as the game progressed, they became more confident with the ball. Grace showed great leadership in defence, sorting out the defensive line. Her tackles were on point in the circle to keep Lord Wandsworth at bay! Daisy scored a great goal where she showed great determination to keep in possession of the ball in the circle and slotted the ball into the left hand corner. Eliza worked well with Grace, made some vital tackles and distributed the ball really well to the midfield players. Dunhurst were on the up and at only 2-1 behind they had all to play for. Lola was dynamic up front, always looking to score, and her perseverance paid off with a great through ball by Anna to Lola in the D and a first time shot at the goal left the GK wrong footed. At 2-2 Dunhurst kept attacking with pace, Annabel was pivotal in centre midfield, always looking to attack, and she demonstrated a great team performance by helping the defence when needed. Jazz played out of goal this week and showed great skill on the wing to drive the ball towards the D. Ella showed her versatility by playing in defence and midfield, looking to attack when she had the opportunity. Anna had a great performance, her composure and confidence on the ball is vital to the team and she is the link between attack and defence where her distribution of the ball was excellent. Izzy R was sprightly on the wing and she put Dunhurst in front for the first time where she received the ball in the opposition's half, ran into the D and shot the ball into the right hand corner - Dunhurst went 3-2 up! In the last 2 minutes of the game, Lord Wandsworth attacked with one last push, caught our defence unawares and scored!

The game ended 3-3, a great game for the neutral! Well done for Daisy and Anna for being named the Bee's Knees and a special mention to Lord Wandsworth for lending us a goal keeper!

Shelley

U13 Football Tournament at Highfield

Three Dunhurst teams made the trip to Highfield this week to take part in their annual tournament. After last year's success, the shield was returned and the boys were eager to take it back to Dunhurst once more! The group matches got under way with the A team off to a great start with a 1-0 win over Twyford. This was followed by a narrow defeat to Westbourne House in a game that could have gone either way. Undeterred, they picked themselves up to run away with a comfortable 3-0 win over Lanesborough. Knowing that a draw in their final match with Amesbury would be enough for a semi final spot, the boys defended well, with Ned in particular in top form between the posts. The game ended 0-0.

After a short break, Edgeborough were the next opponents. Despite taking the lead in the first half, Edgeborough fought back well and overcame the stubborn Dunhurst defence to run out 4-2 winners. This put Dunhurst into the 3rd place play off, which was lost 1-0 to Hoe Bridge. A valiant effort and still a great achievement against some very strong opposition. I was impressed with the quality of football on show in the B team tournament, with the two Dunhurst teams showing some great individual skill, but also great passing football. The teams were in the same group, which meant not only the same opponents, but they also took on each other. In this crunch match, it was the team labelled 'C' for the day that came out on top, passing the ball well and counter attacking swiftly to run away with a 3-0 victory.

Defeats for both teams by Westbourne House took them out of contention of a final spot, yet it was great to see the boys enjoying the afternoon and battling on the pitch until the end of the tournament. Lots of great football on show and we look forward to moving to the 11-a-side game next week at Perins.

Will

Sport News

PIPPA LOCK VISIT

Pippa Lock, former Dunhurstian and England Hockey player, enthused the pupils to achieve highly in her assembly on Monday morning as well as delivering two Hockey coaching sessions, one for Groups and one for Blocks.

MACMILLAN CAKE SALE

Friday 27th September

At Dunhurst, we know how much you like cake!
And, we know how much you like to support HOPiT!

So:

1. Bake some cupcakes.
2. Bring them to the Dining Room on the morning of Friday 27th September
3. Wait patiently in the break queue.
4. Drop a donation in the pot at break.
5. Eat wonderful cake as your snack!
6. Extras will be sold after JAW.
7. Recommended Donation £1.00. **Please do remember that we are a nut free school.**

BOARDERS' TRAIN TIMES – WEEKEND 21/22 SEPTEMBER

Staff contact number on the train: **07810860829**

Dunhurst Matrons number: **07970773568**

Dunhurst Reception number: **01730 300200**

Saturday lunchtime (Blocks & Groups) – Petersfield to London

- Pupils meet duty staff at **13:20** after lunch, in Dance Studio. Collect tickets and belongings
- Train leaves Petersfield at **13:48**
- Arrival at London Waterloo at **14:59**
- Options on arrival
- Pupils travel onward independently – parental permission must be received in writing (Blocks only)
- Staff handover to parents under the main station clock

Sunday evening (Blocks & Groups) – London to Petersfield

- Pupils register with duty staff under the main station clock 15 minutes prior to departure time
- 15 minutes prior to departure pupils and staff will embark on the train
- Train leaves Waterloo at **18:30**
- Arrival at Guildford at **19:10 (Mini bus back to school from Guildford)**
- If pupils arrive later than this, they should either:
 - Find Dunhurst staff member on the train and register
 - Contact staff member on the mobile phone (Contact staff member on the mobile phone)
- If the above does not happen, parents must accompany the child on the train to Petersfield, or make alternative arrangements

PARENT CHOIR

Do you like to sing for fun and would like to do so with other parents in a relaxed and friendly environment? If so, please express your interest, along with preferred rehearsal evening to sharonedgar@live.com.

This year the school are entering the Great South Run to raise funds for the John Badley Foundation and Fitzroy (a charity that supports people with Autism and Learning Disabilities).

We would love to have some Dunhurst representation and I am writing to seek your support. We are looking for any of our keen young runners to sign up and get involved. The Junior and Mini Great South run will take place on Saturday 19th October. The junior course is a flat and fast 2.5k along the seafront in Southsea common for children aged 9-15 years. The Junior events start at 12.00pm and I have listed the timetable below:

Simplyhealth Junior Great South Run – Saturday 19th October	
13:00	START of Simplyhealth Junior Great South Run - Wave 1 (Girls)
13:45	START of Simplyhealth Junior Great South Run - Wave 2 (Boys)

The Great South Run is a mass participation event and a real leveller. With a variety of ages participating, from budding Mo Farahs, to children who are very new to running. Those who have participated before will know that it is really well organised and is a fantastic event to get inspired about running, oh and there's the goody bag at the end of course!

How can I get involved?

In the first instance if you will need to register your son/daughter and pay the fee using the link <https://www.greatrun.org/great-south-run/junior-and-mini-great-south-run>

You will then receive further details about the run in the post together with a race number and timing chip.

Due to the nature of this event, and the numbers of runners involved, we are asking for parents to transport their son/daughter to the event and be there for the duration. We will be there as a point of contact and, nearer the time, we will be in touch to firm up our location.

Just so that we know how many will be attending, could you also drop me a quick email and let me know that your son/daughter is running. My email address is hlowe@bedales.org.uk.

The Great South Run is a fabulous event, not one to miss, we really hope that you will be able to support the school in raising money for two worthy causes.

PLEASE NOTE THAT BLOCK 1 WILL NOT BE ABLE TO ENTER DUE TO THEIR SCHOOL PLAY!

Heather

NOTES FROM ODW

BADLEY MORNING

ODW is set to be very busy on Saturday; several tutor groups helping with a variety of tasks in and around ODW. As always, your support is invaluable; your efforts always make a huge difference to the whole plot! I hope to see many of you down in ODW on Badley Morning. I have printed a long list of jobs for us to do – some of them are being completed by the children – but I know they would be grateful for your support! Tools may be in short supply as we have a large number of pupils in ODW, so if you have your own gloves, secateurs etc, it'd be very useful to bring them along. But don't let that put you off - many of the tasks require no tools at all! I know it's set to be a lovely day, but parts of ODW are overgrown with brambles and nettles, so it's worth considering sleeves/ trousers. Many thanks in advance – I know that ODW will be look amazing when we're finished!

GIANT SUNFLOWER COMPETITION

I have only had one entry for the Giant Sunflower Competition!! Please send me (rwalsh@bedales.org.uk) a photo if you have grown any – closing date is Sunday evening as we are revealing the results in assembly on Monday morning!

APPLES

It has been a particularly bad year for apples in our orchard. If you have any that you will not use, please consider dropping them off at ODW; any quantity, any time.

Many Thanks, Ryan

HOME FROM HOME EXHIBITION

Home from Home is a solo exhibition of British painter Alex Rennie's work at The Frestonian Gallery in London inspired by and in aid of Bedales-supported charity the Rural Refugee Network.

The exhibition explores the theme of a British welcome in relation to the Syrian migrant crisis. A percentage of sales proceeds will be donated to both the Rural Refugee Network and it's partner charity Children on the Edge. The charities rehouse Syrian refugees in the UK as well as educating displaced Syrian refugee children residing in the Lebanese refugee camps.

Rather than portray explicit scenes of refugee life, Rennie has taken an alternative visual approach. The artist held a number of interviews and workshops with Syrian refugees and children that have been resettled in the UK by the Rural Refugee Network. The resulting artworks are informed by these testimonies as well as discussions with volunteers from the Rural Refugee Network about the successes they have had and the challenges they face.

Among the imagery featured are teacups, sandcastles, flowers and flags. Visual references that are quintessentially British, but also have universal appeal. The paintings were created to reflect the notion of empowerment: that of the refugees themselves, but also empowering the public to take action and to play a part in tackling the worst humanitarian crisis of our generation.

The exhibition runs for two days only, 24th and 25th September 2019 at the Frestonian Gallery in Notting Hill West London.
