# Letter from Colin

Dear Parents and Pupils,

Badley Morning was a truly wonderful school community time. Thank you to everyone who came and gave their time at the working bee, then the walk, which ended with a delicious lunch showing our community at its best. To me, this morning was full of the true Dunhurstian spirit, which I am sure Badley himself would have been proud to see. Badley said:

“What I want in a school was an atmosphere of affection, confidence and opportunity, in which what was good in each could develop as an organic growth along lines of its own.”

- J H Badley

Thought of the week  
Further words from Badley about Service

Badley’s hope for Bedales was the habit of service; work done, not only for the pleasure of the doing, nor the personal gain, but for the School’s good.

Family supper debate, just for fun!

If the story of YOU became a movie, how would the movie end?

Some highlights from the week that was...

Ryan (Head of Outdoor Work) started the week in fine fashion sharing the sunflowers that took part in the Sunflower Competition during assembly. As usual, in his lovely humorous manner, Ryan entertained us with various photos of him at different ages with various Sunflowers. In the end, Ronan did well and was recognised for the sunflower he grew over the summer.

After a successful Badley morning, ODW is looking ready for the year ahead. This week we got the apple presses out of hibernation and have enjoyed experimenting with raspberries and apples together - sounds delicious!

Block 2 have started their ‘RAK-tivator training’ (RAK= Random Act of Kindness, spreaders) this is an essential cog in the Dunhurst family wheel. Everybody at Dunhurst is expected to look out for each other, but the ‘RAK-tivators’ are pupils who want to go the extra mile and make a real difference.

Thank you for all of the wonderful cupcake donations you offered for the MacMillan Cupcake sale this morning. A fantastic cause, which we are so proud to support.

## Sport

Despite some last minute cancellations due to the weather, we still managed to squeeze in 10 matches this Wednesday afternoon. The U13 girls performed strongly in their victories against Mayville whilst the U11 netball team had a tough match at Portsmouth High School. The U9 footballers were finally beaten in a close match against Seaford, whilst the U11 and U13 teams played some incredibly close matches away at Churcher's College and Perins.

## Board not Bored- from Houseparents, Alice and Simon

In a very busy week before Leave Weekend, we have celebrated two birthdays with delicious chocolate cakes baked by our Head Chef, Richard. The girls enjoyed a Tuesday Tea Party with herbal and fruit tea and some delicious cookies. The boys have been avidly watching the Rugby World Cup during the evening. As we adjust to the darker evenings, we are now concentrating on indoor pursuits. Next week we will be collaborating with the sports department for [#nationalboardingday](#) on Saturday 5th October.

## A few reminders

- **Thursday 10 October - Harvest Festival celebrations.** If you would like to donate to the PACT (Petersfield Food Bank), please bring Harvest Festival Donations into school on Thursday 10 October. PACT provides food packs from tinned and packaged foods to those in urgent need locally. They would appreciate donations of steam/microwave puddings, small bags of sugar, bars of soap, shampoo and toothbrushes. All donations are gratefully received.
- **Saturday 19 October - The Great South Run.** We would love to have some Dunhurst representation for this event. We are looking for any of our keen young runners to sign up and get involved. The junior course is a flat and fast 2.5k along the seafront in Southsea common for children aged 9-15 years. The junior events start at 12.00pm. The Great South Run is a mass participation event and a real leveller. With a variety of ages participating from budding Mo Farahs, to children who are very new to running. Those who have participated before will know that it is well organised and is a fantastic event to get inspired about running. In the first instance if you will need to register your son/daughter and pay the fee using the link
- <https://www.greatrun.org/great-south-run/junior-and-mini-great-south-run> Just so that we know how many will be attending, could you also drop Heather a quick email and let her know that your son/daughter is running. Heather's email address is [hlowe@bedales.org.uk](mailto:hlowe@bedales.org.uk).
- **Friday 8 November- Dunhurst FOD's Fireworks.** Tickets are now available to purchase through the following link <https://www.ticketsource.co.uk/bedales/t-ngxvgz> using the password, FODFD, when prompted. All children are free, and you only need to book non-Dunhurst children tickets for catering purposes. Dunhurst pupils will be fed following Jaw at 17.30, and then will meet parents in the playground at 18.00.

Have a wonderful long leave weekend and I look forward to seeing you and your children next week.

## NEWS FROM ODW

### Badley Day

First of all – a huge thank you to the parents, children and friends of Dunhurst who did such a fantastic job on Badley Day! After a task in our lessons, I often find myself saying: “I wish I’d taken a ‘before’ photo of this!”, and Saturday was no different. The change is amazing!

### Community Service

Huge thanks to the children who gave up their Wednesday afternoon to help spruce up the vegetable plot at a local Special Needs School. They are a fine example to their friends in the Blocks who, I am sure, will be inspired to volunteer in greater numbers for our next visit.

### Dunhurst Honey

You may have seen on Twitter that we have a remarkable 103lbs of honey from our wonderful bees this year! More than three times as much as last year. This will be available to purchase soon. We will be running a ‘Design the Label’ competition; one of our pupils will have their design printed and stuck on every jar!

### In Lessons

We have been spinning honey, pressing apples and burning bonfires!

## NEW COMMUNITY SERVICE INITIATIVE

We have a new Community Service initiative at Dunhurst that started last week. Every Tutor Group has been allocated a single break time or lunch period to help keep JB's a clean and tidy environment. Here we have some Group 3J pupils replenishing water jugs and picking up dropped cutlery, tasks that take just a few minutes after they have finished eating. This sort of communal action takes place every Camps' Week in May, with everyone mucking in, and we hope to instil the same community spirit **every day of the year** at Dunhurst!

## MATCH RESULTS

### **U9A Football v Seaford (L 2-3)**

Despite the elements being against them the U9s put out an impressive performance that they should be very proud of. Dunhurst started with a sustained period of attack without managing to take the lead. Seaford did this through a quick breakaway and then doubled their lead with a fantastic strike from the edge of the box. In a flash, Seaford had scored a third and the half time whistle blew. Going into the second half, Dunhurst showed great belief and, with more structured positions, got themselves back into the game. With some valiant defence and several cracking saves from 'Man of the Match' Ari, in goal, they were able to stop Seaford's attacks and create chances of their own. First, Sonny scored, then George B, which led to a thrilling last five minutes. Unfortunately, the equalizer eluded the team and the final score was 3-2 to Seaford.

Duncan

### **U11 Netball v Portsmouth High School (L 9-3)**

The U11s met Portsmouth High School this week, having seen them two weeks ago in a tournament. We were a little nervous and lacking confidence in our ability in the first half of the match and the ball barely made it into our attacking third. We repeatedly passed into the opposition's hands and we wanted to offload the ball far too quickly. 8 – 0 down, we decided to take a different tack in the second half. We were much more assertive and we began to look carefully at our options before passing. Poppy R and Scruff defended the D brilliantly, making it hard for the opposition to shoot. Bella and Marlie did some fantastic driving forward and quick turns in the air, this meant they were passing balanced and upright, which really helped the ball to move out quickly. Vava and Brooke helped move the ball up successfully to the D and Poppy L scored our first goal. This really boosted our confidence and, in the last quarter, Scruff was able to follow with two more fantastic goals. The final score was 9-3 to Portsmouth High School and Marlie was voted the Bee's Knees! Although we lost, the score card showed that we won the third and fourth quarter, highlighting that we were progressing in the right way – we just need to begin our next match in the same vein. Well done girls.

Sam

### **U11A, B + C Football v Churcher's College Junior School – Various Scores**

#### **U11A v Churcher's College Junior School (L 2-5)**

This was a game of two halves, a strong Churcher's had pushed ahead to take a 3 goal lead. Dunhurst rallied in the second half and fought back with 2 goals from Tommy. A great game played at pace with passion and determination.

#### **U11B v Seaford College (W 3-0)**

Dunhurst immediately applied the pressure on to Seaford and Viggo and Luke scored 2 quick goals, a quick swap of positions, with defence going into attack and attack falling back into defence, and we were off again. Hero grabbed the ball, made a break for goal and scored. Seaford rallied and held their defence, stopping any further goals.

#### **U11B v Churcher's College Junior School (L 1-2)**

1 goal down but the boys never gave up with some great defending and attack by all of the players. Jamie zipped in to the goal mouth and popped one into the net drawing the game, then at the end, a strong Churcher's scored to take the lead. A fantastic game played at pace with buckets of commitment.

#### **U11C v Churcher's College Junior School (L 0-8)**

Dunhurst played exceptionally well, showing grit and determination against a very strong Churcher's side. The final score could have been higher but Dunhurst tackled well and rallied to form some great attacks, but were unable to penetrate the Churcher's goal.

Overall, a good performance against strong opposition, a great show of team spirit, commitment and determination by all players within all of the teams.

Well done boys.

## **U13A Football v Perins (W 2-1)**

Having played two tournaments in as many weeks, this was the first 11-a-side challenge for the U13 footballers as they took on Perins on their large astro turf. On a big pitch, the boys knew that making the most of the space available was going to be key. They did not disappoint. Perins were a very organised team with a tough back line to penetrate. The Dunhurst team were more than up for the challenge with some great defending of their own. The better chances in the first half fell to Dunhurst with Ed doing well to carve out an opportunity, but firing just wide. Bo also had a great chance to take the lead but couldn't quite connect with his shot from just inside the area. The score at half time was 0-0.

The boys continued to push for the lead early in the second half and they finally got what they deserved. A fantastic cross picking out Bruno, unmarked in the middle, who wasn't going to squander the chance to get his first Dunhurst goal! Unfortunately, some hesitation at the back meant that Perins were back in the game five minutes later. The team did well to keep their heads up and began to push for a winner with 10 minutes to play. They were attacking at pace and working their way closer to the Perins goal. Just as the game looked to be heading for a draw, Bruno again managed to find a bit of space on the edge of the 18 yard box and expertly curled the ball towards the top corner. The keeper got a hand to it but not enough to prevent the ball from hitting the back of the net and a very happy team heading home with the victory.

## **U13 Hockey v Mayville (Won all 3 games )**

With big interest this term in U13 hockey, it was great to field three teams against Mayville. The format was a mini tournament where each team played each other. It was a great opportunity for us to see the players play lots of hockey in an afternoon and it gave the players lots of game time. The players attacked with pace and worked really hard at keeping the width during the game. The defence was much improved with some vital tackles being executed in the shooting D to keep the scorers at bay. Overall Dunhurst won their games against Mayville, showing that they have used all the coaching points given to them this term and applied them in the game. Well done to all who played.

Shelley

## **U13B Football v Perins Result: (L 1 – 4)**

The U13B boys travelled to Alresford to take on Perins in their first 11-a-side fixture of the season. The first half was quite an even affair with Dunhurst carving out the best of the chances. Dunhurst gave away an unfortunate goal at the end of the first half to trail 0-1 at half time. In the second half, Perins scored twice before Leo H got one back for Dunhurst. Dunhurst needed to learn from Perins, who were playing an uncomplicated and direct style of football. For Dunhurst, too often promising moves broke down with over complicated football, spoiling what could have led to a chance on goal. Perins did get a final goal to make it 1-4 at the end. A score line that didn't really reflect the true nature of the game although definite lessons were learnt by the Dunhurst players.

Man of the Match: Leo A – for his tireless work in defence.

Steve

## PARENT CHOIR

Do you like to sing for fun and would like to do so with other parents in a relaxed and friendly environment? If so, please express your interest, along with preferred rehearsal evening to [sharonedgar@live.com](mailto:sharonedgar@live.com).

This year the school are entering the Great South Run to raise funds for the John Badley Foundation and Fitzroy (a charity that supports people with Autism and Learning Disabilities).

We would love to have some Dunhurst representation and I am writing to seek your support. We are looking for any of our keen young runners to sign up and get involved. The Junior and Mini Great South run will take place on Saturday 19th October. The junior course is a flat and fast 2.5k along the seafront in Southsea common for children aged 9-15 years. The Junior events start at 12.00pm and I have listed the timetable below:

Simplyhealth Junior Great South Run – Saturday 19th October	
13:00	START of Simplyhealth Junior Great South Run - Wave 1 (Girls)
13:45	START of Simplyhealth Junior Great South Run - Wave 2 (Boys)

The Great South Run is a mass participation event and a real leveller. With a variety of ages participating, from budding Mo Farahs, to children who are very new to running. Those who have participated before will know that it is really well organised and is a fantastic event to get inspired about running, oh and there's the goody bag at the end of course!

### How can I get involved?

In the first instance if you will need to register your son/daughter and pay the fee using the link <https://www.greatrun.org/great-south-run/junior-and-mini-great-south-run>

You will then receive further details about the run in the post together with a race number and timing chip.

Due to the nature of this event, and the numbers of runners involved, we are asking for parents to transport their son/daughter to the event and be there for the duration. We will be there as a point of contact and, nearer the time, we will be in touch to firm up our location.

Just so that we know how many will be attending, could you also drop me a quick email and let me know that your son/daughter is running. My email address is [hlowe@bedales.org.uk](mailto:hlowe@bedales.org.uk).

The Great South Run is a fabulous event, not one to miss, we really hope that you will be able to support the school in raising money for two worthy causes.

**PLEASE NOTE THAT BLOCK 1 WILL NOT BE ABLE TO ENTER DUE TO THEIR SCHOOL PLAY!**
