All home grown events are free of charge
and all timings in this section are indications only

Merry Evening

Thu 09 Sep, 19.30-21.00

Theatre

Student only event

Merry Evening is one of Bedales' oldest traditions and it is always the first performance event of each year. Students are invited to perform whatever they have been working on over the summer and the stage is completely open for whatever they would like to present. It is always a great way to discover fresh talent!

Band Night

Wed 22 Sep, 19.30–21.00

Theatre

Student only event

After a day of hard work and outdoor activities for Badley day, our musicians get a great opportunity to showcase their talent and enthusiasm in front of an audience of students and staff. Badley Day Band Night is an important stepping-stone towards the Bedales Rock Show, with similar high standards expected, but performed in a more informal atmosphere.

Music Scholars' Concert

Thu 30 Sep, 19.30–20.30

Lupton Hall

Now that Bedalians are able to perform music together again, they have been working hard to continue our renowned live music tradition. Join us for a concert of solo items which will showcase every individual's unique talents.

Sixth Form Show

Tue 12 – Wed 13 Oct, 19.30–21.00

Theatre

Our Sixth Form show is returning this Autumn, filling our stage with its usual flair and professionalism. The students' passion for theatre shines through in the talented actors and crew that create this exciting, modern production. This year the Home Grown Drama programme will mark the 25th anniversary of the Bedales Theatre. A Bedales student directed her classmates in 'My Mother Said I Never Should' by Charlotte Keatley in the first ever performance in the new building and so the Sixth Form Show will be a feminist play, directed by Evangeline Cullingworth, herself an Old Bedalian.

Cecilia Concert

Wed 24 Nov, 19.30–21.00

Theatre

Bedales' musicians have continued to practise since being back at school and have enjoyed being able to perform in small ensembles in the Autumn Term.

The Cecilia Concert is a highlight in our classical music calendar and we look forward to welcoming you back for an evening of music from our choirs, orchestras and many other ensembles.

BAC Devised

Mon 29-Tue 30 Nov, 19.30–20.30

Drama Studio

Unit 4 of the BAC Theatre specification asks Block 5 students to devise original pieces of theatre. They explore and build their work around a chosen stimulus in the style of well-known practitioners.

Music Exhibitioners' Concert

Wed 01 Dec, 19.30-20.30

Lupton Hall

Join us for an informal evening of music-making with our classical music exhibitioners who will perform solo items and pieces for small ensembles. You can expect a delightful evening with a huge range of music from our talented performers.

Carol Service

Fri 10 Dec, 19:00–20:00

All Saints Church, Steep

The Carol Service is a wonderful evening by candlelight, celebrating the end of the school term and the beginning of the festive season. The Bedales choir will perform in the exquisitely beautiful 12th century church of All Saints in Steep and lead the whole community in a service of readings and carols.

Whole School Show

Mon 13-Tue 14 Dec, 19.30-21.00

Theatre

The Whole School Show brings together the school community in the final week of the Autumn term. A celebration of the enthusiasm and hard work that students from Block 3 through to 6.2 put into their extra-curricular activities, this show is always a brilliant example of students doing what they love and doing it very well. The Whole School Show will recognise the opening of the Bedales Theatre using props, set and costumes from the last 25 years. Current Bedales students will evoke those many moments of joy students and audiences have had on our amazing stage over the last quarter century.

“Bedales is famous for its
holistic approach to education
and excellence in the arts.”
