

24TH JUNE 2022

THE FRIDAY LETTER

WEEKLY NEWSLETTER OF DUNANNIE SCHOOL

Dear Parents,

What a fantastic week the children have had! They have excelled at demonstrating the Be Value we are all focussing on; Be Courageous! I'm sure you'll all agree that the children demonstrated tremendous courage by stepping up to perform in the school play, Charlie and the Chocolate Factory. Performing in front of an audience can be terribly daunting. It was an incredible performance and I am so very proud of the children. I'd like to take another opportunity to thank all the parents who helped the school with set and I hope you all enjoyed the play as much as I did!

This penultimate week has been busy, busy, busy! We've had a Year 3 Athletics Fixture, Year 1 trip to a sculpture park, Book Fairs, a Summer Fete, Years 2 and 3 Sports Day and of course, the school play! If you would like to look at the gorgeous photographs from the performance of Charlie and the Chocolate Factory and possibly purchase prints, please click [here](#) and use the password 2022bedales. A similar link will be sent out next week with photographs from our sports days.

Those of you who attended the Summer Fete on Thursday will have seen how brilliantly the Year 2s and 3s worked together to set up all the stalls and what a hoot it was! There was face-painting, games, slushy making and cakes galore - all in aid of our sponsored polar bear, Amka. Well done to all the children involved. A true Dunannie effort!

The week was rounded up with Sports Day for Years 2 and 3. Great sportsmanship, team work, and most importantly everyone had so much fun! The Dunannie spirit was in full force!

Looking ahead to next week, we're not losing any steam with our activities! Reception and Year 1 have their Sports Day on Monday (1.45-3pm) - parents are welcome to come and watch. Tuesday will see our Nursery children have their Sports Day at 9.30am (parents also welcome), as well as our Year 1 Celebration (parents invited) and Year 3 will be going on lots of trips starting with picnic and games at Petersfield lake on Tuesday. (We have now decided to travel there by school mini-bus.)

We've lots of other fun activities planned for our Year 3s during their final week at Dunannie, including trips to Legoland, Go Ape and a BBQ and Leavers Presentation. All of Dunannie will be very sad to see them leave, but we know they will thoroughly enjoy all the opportunities on offer at Dunhurst!

I hope you all have a wonderful weekend and come back ready for a busy Dunannie final week!

Best wishes,

Fiona

NURSERY

This week we have been learning the letter sound 'b' so we had a bubbletastic time making our own bubble wands, experimenting with different wands and different ways of moving to see how to make the biggest or most bubbles.

NURSERY

Katie read, 'Where The Wild Things Are' with the children. Some of them chose to create their own Wild Things with the clay. They do look terribly wild!

RECEPTION

This week Reception have enjoyed a pretend visit to the beach, making everlasting sand castles, playing in the water and creating sea monsters. They made bread rolls for their families and cooled off in the shade whilst enjoying story time with year 3. We all had fun at the Fête - the lucky dip and face painting were very popular!

RECEPTION

YEAR 1

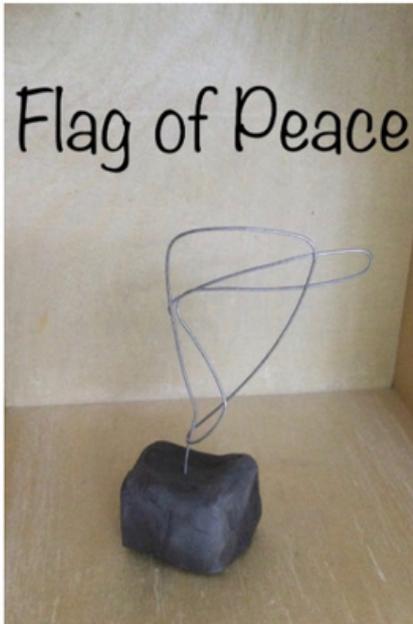

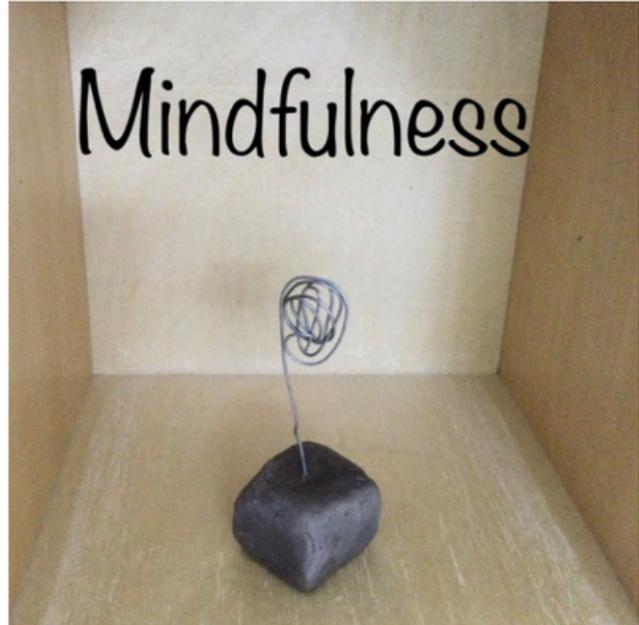

Year 1 had a fantastic time at the Sculpture Park this week. As they wandered around the acres of lakes and woodland, they discussed which sculptures they liked and disliked, what the more abstract ones may mean and which materials were used. They read the plaques confidently and tried replicating some poses themselves.

.....

YEAR 1

Inspired by abstract pieces seen on the school trip, they each made and named a wire sculpture. Year 1 are looking forward to sharing all their work at an exhibition for their parents next week!

YEAR 2

A wonderful afternoon of different stalls organised by Year 2 and Year 3 for Year 1 and Reception. The children had lots of fun, as well as raising money for our wonderful polar bear, Amka. Thank you to all the children, they should be very proud of themselves.

YEAR 3

Some of the lovely photographs from Charlie and the Chocolate Factory!

DUNANNIE MENUS
