

24 June 2023

Head's Welcome—It's that time of year again - welcome to Parents' Day 2023. We have got another fabulous lineup of all that Bedales has to offer. Opening up the campus for you all to enjoy the art, performances, sporting endeavours and personal connections is so important to us and today is always a highlight of our calendar. We hope you enjoy the day and, especially for those of you returning for an OB reunion, we hope you will find this place true to its spirit, even if the people and the fabric of the place may be a little different to when you were a student here. Will Goldsmith, Head

10:00 Parents are invited to the Boys' Flat, Steephurst or the Day Common Room for welcome drinks. Day students may wish to travel to school with their parents. Please let Houseparents know if you are not coming to Parents' Day so they can arrange supervision.
