Subjects

Geography (MME)

Global Awareness (AWH)

History (NDM)

PRE (JBO)

Timetable Allocation

5 x sets – 1 double period per week

Scheme of Work

Autumn Term

Discrete subject teaching. Introduction to specific subject skills through curriculum content.

Spring Term

Focus on WWI/Anthroposphere/Conflict/Ethics within departments to lead to the Humanities Battlefield Trip in the week prior to half term. Work for the rest of the term will follow the same theme.

Summer Term

Discrete subject teaching. Introduction to specific subject skills through curriculum content rotated with individual study time to work on the **Bedales Humanities Research Project**. This is an opportunity for students to choose a theme and research question and produce a project based on their BAC choices. This could be focused on one subject from within Humanities or be cross-curricular.
