Dear Parents and Pupils,

The excitement levels are rising daily as the lambing season has now properly started. At the last count there were ten lambs with many more to come! We are also excited about the new arrival of the seven piglets! Cobb’s Field is a sociable hive of activity during break times, but a message soon spreads if there is an imminent lamb to be born. A respectful silence and anticipation falls on the eagerly awaiting audience.

The Thought of the week is one to ponder. It is for us all to realise that every expert was once a beginner.

**Thought of the week**

*If at first you don’t succeed... you’re normal!*

**Family supper debate, just for fun!**

Do animals have ideas?

**The week that was...**

The Sports Tour returned with great stories of their success and it sounds like lots of fun was had by all. It was lovely that Duncan, Jess and from Bedales, Spencer (Director of Sport) and Mariela (Girls’ Games Teacher) went too.

Aaron took Monday’s assembly with the help of two pupils (Hector and Daisy). They both played their parts, involving Internet safety, fantastically well. We had a live text conversation and an unknown paired friend from somewhere around the world. This person was a teacher at the back but the children did not know who it was at first. Within 5 minutes, we had learned how easy it was to give away information including: full names, location, school, logo, our ages and a picture of us smiling without meaning to. When the hoax was revealed and the laughter turned to seriousness, we talked about how you can’t trust everything you read online. We turned the situation round to the real world and said you wouldn’t meet someone in the street, shake their hand and give someone your full name, school, age, favourite food and the name of your pet! For more advice on this subject please look at the link http://www.kidsmart.org.uk/beingsmart/

Congratulations to all our musicians who took their ABRSM exam. Some fantastic results were achieved, of which you should be proud.

Pupils who took part in the UKMT Junior Maths Challenge also did themselves proud. Papers have been sent off and we will receive the results in due course.

ODW lessons this week have been taking advantage of this lovely spring weather and visiting the Bluebell woods. Tree climbing and observing nature together has been wonderful for the soul. You may have seen our ‘No mow zone’ signs, this is to promote bee productivity. We want to leave the banks of daisies and dandelions for the bees and other pollinating insects. Did you know that just eight dandelion flowers provide enough nectar for 15,000 bee visits per day?
The playing fields were a fantastic sight on Wednesday afternoon as the U13 Girls’ Cricket Festival took place with eight teams playing across four pitches! Meanwhile, the Groups’ Rounders teams had a lovely adventure as they travelled to the Isle of Wight to take on Ryde. With the festival taking place at Dunhurst, the rest of the Cricket teams were on the road and performed well.

Thank you to Jemima for her inspiring assembly about Mexico. We learnt about its population, languages spoken, reports, animals and food. Thank you also to Juliet, who played a Grade six piece ‘Return Flight’ by James Rae on the Alto Sax.

On Thursday, Group 2 enjoyed their Ceramics trip to The Allen Gallery. They were investigating, handling objects and sketching. Great work Group 2!

Group 3 took their Geography lesson outside this week to explore the compass points. It was great to see team work and investigating, enquiring minds at work!

The dancers involved in the Dance Platform have been working hard this week perfecting their routine. I can’t wait to see the final performance on Sunday 12 May in the Bedales Theatre.

It’s lovely to see the annual Groups science fair posters are starting to creep in around the school. Please do come and support your child in their extending learning. The Fair is on Friday 10 May, 16.00-17.30.

This term’s ‘thought provoking’ display is:

‘It takes 60 days to learn a habit. Try answering this question every day for 60 days, this will soon become a habit! ‘What are you grateful for?’ Say to yourself ‘I am grateful for_________ because__________.’

Board, not bored! From Alice and Simon

This week we took the Block 2s (who will be boarding at Bedales next year) up to Boys’ Flat and Steephurst. Here they met with the boarding staff and asked any questions they had about boarding plus had another look around the boarding houses. On Tuesday evening the boarders enjoyed toasties and waffles with a film. We have reminded our full boarders that for many of them this weekend will be their last opportunity to gather items together for Camps Week. Kit lists have been emailed home, and we have given the boarders a paper copy to help them with their packing. Tomorrow night the boarders will enjoy an activity organised by our wonderful Gappies; Jess, Alarah and Max — hopefully outside if the weather will be good.

A few important notes

The one and only Darran Kettle, Head of Maths, has been nominated for ‘Petersfield Teacher of the Year!’ Anyone who knows him, knows that this is extremely well-deserved. He is dedicated and committed to his pupils and has turned non-maths lovers into maths gurus! His kind, gentle approach gives pupils the self-belief and confidence to have an ‘I can’ attitude. Please get voting and spread the word. Do click on the link below and fill in the form.

http://www.petersfieldfest.com/wp/?page_id=4687

Please do look out for a letter coming from Simon to explain about the Dunnie Awards, which is taking place next Tuesday from 18.30.

On Saturday 11 May, there are numerous events across the three Schools (which we hope you will attend) so we will be making more parking space available. Before 13.30, please can all parents attending the Dunannie Family Morning and the Bedales Dog Show use the Dunannie car park and the additional parking on the Dunhurst and Dunannie pitches (which can be accessed via the Dunannie car park).
The Dog Show and Fete is on Saturday 11 May from 12.30-1600. This is a really lovely occasion where all three Schools come together to enjoy our community on a relaxed, sunny afternoon. Do bring family, friends, neighbours and dogs. (Dogs not essential, lots to do with or without a dog!) All money raised will go to the John Badley Foundation, giving more children access to the transformational opportunities Bedales provides. School for Blocks pupils will run as normal. Please collect your child at 13.00 before attending this event. The boarders train times will be communicated. Boarders who are staying in for the weekend will be taken to the Show with House staff. I look forward to seeing you there!

A Dog Show message from the FOD:

- Please could parents volunteer to help with games and stalls? Please sign up on the Doodle (sent out by class reps) if you are available and willing to volunteer.

- We need baked goods to sell in the cake tent. Any donation will be much appreciated! We welcome homemade, store bought, big cakes, little cakes, brownies, cookies, etc. Please note that they do need to be nut and seed free. Please remember to label your container so we can return it. Baked goods can either be dropped off on Friday in JBs or can be taken directly to the cake tent on Saturday.

- We need donations for Raffle prizes such as bottles, bubbles and children’s puzzles, books, etc. Please drop off donations at Dunhurst reception by Thursday, 9th May.

As the weather is improving we would like to encourage pupils to bring a reusable water bottle, so that they can sip fluids at regular intervals throughout the day. Hats and sun cream are also advisable.

In closing, I am delighted to announce that Juliet Watteville will be joining us as Office Manager after half term. She comes highly recommend and she not only has the skillset, but also has a strong connection and love for Dunhurst. Juliet’s father worked at Bedales, her mother was Receptionist at Dunhurst and her brothers came to Dunhurst as children.

I wish you all a lovely long weekend and I hope the sun puts in an appearance, so that you can dust down your BBQs.

Colin

GROUPS AND BLOCKS pupils had fun making and decorating cup cakes in their Edible Crafts Activity.

Eight Schools played on four pitches at the U13 Girls’ Cricket Festival.

GROUP 2 handling and sketching ceramic objects at the Allen Gallery in Alton.
What’s Been Happening...

BBC 500 Words Competition

Many congratulations to Ella Foster Hill (Group 3N) who has successfully made it through to the first round of the BBC 500 Words Competition. They receive many thousands of applications, and Ella made it down to the final 5000, which is excellent. We will hear later in May if she has made it to the final 50.

NEWS FROM OUTDOOR WORK

This week, our ODW lessons took us to the beautiful bluebell woods, near the sand quarry. As each class walked to the woods, we stopped off to observe an amazing phenomenon known as “crown shyness”, where the tree tops in a woodland maintain small, neat gaps between each other. There are many theories - but scientists are yet to establish exactly how and why it happens. Once in the woods, I shared some bluebell history and folklore with the children; ask your child what will happen if you hear the bluebells ringing - or what happens to a child who picks a bluebell from a bluebell wood! The class was then given time to explore the woods together.

It was a wonderful way to spend an hour!
Ryan
On Wednesday the U11, U10 and U9 Rounders teams journeyed to the Isle of Wight. It was a lovely day and everyone was very excited at the prospect of using so many different modes of transport! We set off from Dunhurst after an early lunch on a route march down the hill to Petersfield station. The ride to Portsmouth went quickly and we were soon waiting at the harbour for the catamaran. The trip across the Solent was exciting as there was so much to see; boats, forts, hovercraft.

At Ryde Pier Head, we boarded another train which took us to the Esplanade, where we were collected in Ryde School minibuses. Once on their pitches we warmed up and the games began.

**U11 Result**
Won 26½ – 15
Bee’s Knees to Phoebe and Maia

**U10 Result**
Lost 15½ - 18
Bee’s Knees to Marlie

**U9 Result**
Lost 12½ - 14½
Bee’s Knees to Peyton

After tea, we walked back down to the beach before our journey back to Dunhurst.

Some quotes from the girls:

“We won! And I scored a rounder!”
“The doughnuts were amazing!”
“I’ve never been on a catamaran before!”
“Do we need a passport?”
“Marlie did a fantastic catch”
“It was the best match ever – even though we lost!”
“We had such a fabulous day – Thank you for taking us.”

Debbie P
MATCH REPORTS

U11A Cricket v Frensham – Dunhurst won by 90 runs
May Day 2019 saw the U11A Dunhurst cricketers travel to Frensham. Putting aside the disappointment of playing incrediball – Dunhurst batted first.

A strong batting performance saw Dunhurst amass an impressive 120 for 1 with Tom C and Tommy H both hitting 20 runs and retiring not out. Hari W added 8. Dunhurst then started to bowl and soon had Frensham in trouble. Dunhurst bowled Frensham out for 30 in 11.3 overs. Tom C led the bowling figures with one maiden, two wickets for one run off two overs, Hari W had one double wicket maiden, 2 for 5 off two overs, Henry B had 2 for 5 off 1.3 overs, Jack B had 1 for 1 off one over, Tommy H had 1 for 3 off two overs and Aubrey had 1 for 6 off two overs. Sebbie T and Henry B had a catch each (Henry’s well taken off his own bowling).

So a superb victory, that in truth could have been even more emphatic if a few more catches were held. But this team is shaping up to produce a very good season with all the boys contributing whether it be batting, bowling or in the field.

Man of the Match – Hari W – a true captain’s performance
Steve

U13 Girls’ Cricket Festival
What a fantastic afternoon for the U13 Girls’ Cricket team who hosted a Pairs Cricket Festival on Wednesday. A great platform for the us to showcase their skills learnt from the cricket tour over the previous weekend. We had eight schools attend and using our glorious grounds had four pitches occupied at all times. It was great to see so many girls playing and enjoying the game.

Dunhurst opened against Amesbury with Sage and Milly playing the ball around taking 19 runs over two overs with two fours scored. Rebekah and Maddy added a further 16. Some strong bowling from Amesbury challenged Dunhurst but we continued to grow in confidence and managed to keep adding to the score with some well taken runs. Good communication from Izzy L ably assisted by Nell allowed us to add a further 9. Amesbury took 5 wickets overall which meant that we scored overall 218. Amesbury showed strength in their batting and scored a 6 in the first over. Milly D took a great catch as did Nell on the boundary. Some fab bowling from Rosie and Layla meant that the opposition only took 5 runs in their two overs. Despite our efforts Amesbury won 228-218.

Looking across the Mem Pitch we could see West Hill Park warming up. With a number of county and district players in the side, Dunhurst knew that they would need to up their game and indeed we did. Dunhurst managed to field really well; knowing that West Hill could strike the ball well, they protected the boundary and took 5 wickets. Overall score left Dunhurst with 230 to chase. Sage and Milly opened with a solid 17 runs. A nice 6 from Milly D and a 4 from Sage B. Followed up neatly with a further 11 runs from Rebekah and Maddy. Unfortunately, we lost two wickets in quick succession which took our score down to 219. Some confident batting by Izzy L and Layla took us back up to 225 which, against a very well-drilled team, was pleasing. We had to score 6 runs off three balls to win. Sadly, with some fantastic batting from the Westhill Park, team the target was just out of reach and the final score was 225-230. A really fantastic game against a really tough opposition.

The final game of the afternoon was against Meoncross. A pocket of rain didn’t stop play but it was difficult to maintain the concentration on a greasy pitch. Dunhurst didn’t take their chances and after 8 overs and a flurry of wickets the Dunhurst score was held at 216. Some fantastic bowling from Lola M, who took a wicket, and Meoncross only took one run from. Meoncross took their opportunities and managed to notch up a few fours which took their overall score to 220 winning the game by four runs.

This was a hugely positive afternoon and one which I hope will become a regular feature in the fixture calendar every year. We are new to cricket but it is really pleasing to see the interest grow and with that the level of performance.

Well done to all who took part!
Heather
U13 CRICKET / ROUNDERS TOUR TO DORSET

Last Friday, our U13 cricket and rounders teams set off early on their tour of Dorset. They enjoyed two training sessions with highly qualified coaches, matches against local teams and had the experience of watching Hampshire’s finest take on Gloucestershire at the Ageas Bowl. A great weekend had by all.

Will
MATCH REPORTS

U12 Rounders v Mayville School
Two U12 teams played a triangular match against Mayville High School on Wednesday. In our first match, we began with batting and demonstrated confidence and quick-thinking by scoring at 2nd post; using every opportunity available to run. Seven whole rounders soon followed and this really gave us a chance of winning the game. We weren’t as confident whilst fielding, but we covered 2nd post tightly. We won the first match 9½- 4½ rounders.

In the second match, our batting was fairly consistent and we scored half rounders with relative ease. We unfortunately didn’t score any whole rounders and were lacking some ‘big hits’ which put us in a vulnerable position and the scores were fairly even between each team. In the last few minutes of batting, we panicked in field and failed to stop the score at 2nd post, which meant Mayville took the lead. The final score was 6-7. Well done on the first game of the season.

We have lots of batting potential and need to preserve with the batting and catching! Well done to Iris and Pandora who were the Bee’s Knees.

Sam

U13A v St. Edmund’s (Lost by 6 wickets)
Having been put into bat by St. Ed’s, Dunhurst made a nervous start with two run-outs in the first two overs. This put the boys on the back foot and meant they would have to bat deep to get a competitive score. Zeb held the innings together while wickets fell around him, building the score back up from 36-6 to 97 all out. This was with the help of the tail who hit a flurry of boundaries in the last few overs. Despite taking regular wickets Dunhurst were unable to stop a successful run chase by St. Ed’s, who achieved our score four wickets down.

Duncan

DUNHURST TENNIS TOURNAMENTS
Dunhurst will be running intraschool tennis tournaments on Saturday 22nd June, from 9.00am – 1.00pm. The finals will be held on Friday 28th June from 4.00pm.

The following events will be running:

- U13 Girls Singles
- U13 Boys Singles
- U13 Girls Doubles
- U13 Boys Doubles
- U13 Mixed Doubles
- U13 Team Tie Break Tennis
- U10 Mixed Singles

If your son/daughter would like to play in any of these events please email Graeme (gcoulter@bedales.org.uk). Please specify the events they wish to enter and their partner where applicable. If they would like to enter the doubles event but do not have a partner then please put ‘partner required’. The teams will be randomly selected from all of the entries. The deadline for entries is Friday 14th June.

Will
THE GROUPS’ SCIENCE FAIR - FRIDAY 10 MAY

The Groups' Science Fair is soon to be upon us. Groups children will be setting up from 4.00pm and the demonstrations will officially start at 4.30pm. Please do come along and support this super science event. Groups children have worked really hard on selecting a suitable experiment and mastering the science behind it to explain to everyone visiting their stall. Groups children will be free to leave at 5.30pm, once they have packed away their stall.

This seems an ideal opportunity to, once again, mention a safety point. Some children will be making slime as part of the Fair and the ingredients they are using are carefully monitored by us to ensure that they comply with health and safety legislation.

No worries so far, however, some children have been making slime at home and bringing it into school. In this case, we have no idea how they have made the slime and one ingredient is potentially very hazardous – Boron based chemicals (such as Borax, boric acid and sodium borate). As with many household chemicals these have (should have) hazard warnings on them. The correct label is ‘may damage fertility or the unborn child’. The only accepted way of making slime in schools or for schools is to use the tiniest dose of these chemicals. The only way to source this effectively is by using certain eye washes and eye drops.

In summary:

The only safe way we recommend that you make slime is to use an eye wash or eye drops. If you are not using these then you are probably sourcing boron compounds differently, which could lead to significant health problems.

Ollie
NOTICES

DANCE PLATFORM

TUESDAY 7 May (Dress Rehearsal)
THURSDAY 9 May 6.05-7.00pm
FRIDAY 10 May (TECHNICAL IN THEATRE 9.00-10.00am)
SUNDAY 12 MAY PERFORMANCE 6.00pm
(Meet at school at 4.00pm for makeup and warm up)

Gentlemen of Bedales Cricket Club

This Sunday 5 May, Gentlemen of Bedales Cricket Club (GoBCC) host Droxford CC at Bedales, meeting at 1.00pm for a 1.30pm start.

On Sunday 12 May, GoBCC host West Meon CC at Bedales, with a 2.00pm start.

Find full details of fixtures, results, score books and the latest news here.

BACK
Bedales Dog Show and Fête

Saturday 11 May, 12.30-4pm

Whether a dog is part of your family or not, the John Badley Foundation’s Dog Show and Fête on Saturday 11 May, 12.30-4pm, will be a truly Bedalian fun-filled day for all.

Please do come along and bring along your lovely labrador, short-legged furry friend, most magnificent mongrel, cuddliest canine and/or best rescue to take part in the dog classes, which cost just £2 each to enter. The fancy dress class this year is Punks and Rockers.

Limber up for the dog obstacle course and 11-legged races and enjoy live music, BBQ, bar, cream tea tent, bouncy castle, waterfight zone and coconut shy, as well as many other games and activities.

Adults £2, children free, Dunhurst Pitches (ample car parking available - please enter the school site at the Dunhurst entrance on Alton Road).

Any voluntary support is very much welcomed! If you can spare an hour or more to help, or you would like to bake/donate a cake or a raffle prize, please contact development@bedales.org.uk.

All proceeds from the day will go towards the John Badley Foundation, which provides life changing opportunities for young people through bursaries. Thank you.
SUMMER TERM EVENTS FOR PARENTS

I hope this finds you well. Parents’ Summer events are underway, the next two are detailed below; a wild garlic foraging and pizza evening at Bedales and an evening at the Polish Club in London where we will be taught how to make some of their legendary vodka cocktails before enjoying a delicious dinner.

These events are aimed at bringing parents from the three schools – Bedales, Dunhurst and Dunannie – together, to give you all more opportunities to meet each other in enjoyable and relaxed settings. If you have any ideas for future events, visits or activities please do get in touch.

In the meantime if you would like to book places at any of the events below, please email parents@bedales.org.uk.

All best wishes

Camilla Bashararat
Bedales School, Church Road, Petersfield, Hants, GU32 2DG
Follow us on Facebook, Twitter and Instagram

SUMMER TERM EVENTS

Friday 17 May, 5 – 9pm: Wild Garlic Pesto, Foraging and Pizza Evening, Bedales
Enjoy an early summer’s evening of food, wine and walking. We will go up to the Poet’s Stone to pick wild garlic and enjoy some of the best views over the South Downs. Returning to the Bedales Outdoor Work Bakehouse, students will teach us how to make our own wild garlic pesto and cook us delicious pizzas in the Pizza Shed. We can then relax outside and enjoy a delicious al fresco supper.

Price: £14.

Thursday 13 June, 7.30pm: Vodka Cocktail Mixology Class and Dinner, The Polish Club, London
We return to the Polish Club for a bespoke vodka cocktail mixology class followed by dinner in the beautiful ballroom. The Polish Club is a wonderful venue and this evening promises to be great fun as we learn some of the secrets behind their legendary cocktail list, sampling their new vodka Kavka. A three course dinner laid on by the Polish Club’s fantastic Ognisko Restaurant will round off the evening. Book early to avoid disappointment!

Price: £60.
