Dear Parents,

A huge thank you to the FOD (Friends of Dunhurst) and all the volunteers who made the Dunhurst Fireworks Night so wonderful. It was a magical evening and a bonus that the weather was so kind to us. The clear, crisp evening sky was a perfect backdrop to a spectacular display of fireworks. Thank you for supporting this event and for contributing to our community at Dunhurst.

Next week is ‘Sugar Awareness Week’. You should have received an invitation, please do join us for the events advertised.

It is also ‘National Anti-Bullying Week’ next week. National days and weeks are important to highlight with our children. Here at Dunhurst we are going to focus on the positive and call the week ‘Harmony Week’ - what you focus on, you get more of! We have a group of Block 2 pupils who we call RAK-tivators (Random Acts of Kindness). Last year, these pupils were called Peer listeners. The pupils changed the name as they felt the RAK-tivators name had more excitement and oomph! Debs and the RAK-tivators meet regularly to discuss the climate of the school and how we can help each other. They have come up with a whole programme for the week. Each break time there will be an activity to promote ‘Harmony’ which will be on offer for all of Dunhurst. They will also start a kindness paper chain in the Well, catching kindness and writing it on each link of the chain. Our aim is to see if we can make the chain reach around the whole of The Well! Please do join in!

Next Friday is ‘Children in Need’. If you and your child would like to support this worthwhile cause, pupils may dress up wearing spots or onesies on Friday. Please send your child in with a donation and hand it to their class teacher/tutor. (When deciding what to wear, please remember this day is also ‘individual and family photographs’ day!)

Thought of the week

Family supper debate, just for fun!
Can you touch the wind?

The week that was…

Thank you to Susan and Annika for the wonderful assembly they gave us on Monday. Annika’s mother is an artist and she shared her beautiful botanical paintings with us. You may be interested in the link

Thank you to Jonathan for his Poppy assembly on Thursday, it was lovely that Dunannie Year 3 were able to join us to share their poem, ‘If Only’. Thank you also to Lottie Large, who opened the assembly singing ‘Memory’. All of the pupils learnt about red, white and purple poppies.

Thank you to the musicians and singers who performed so confidently in the guitar, percussion and singing platforms this week. This informal sharing of music is a wonderful experience for the audience and performers alike. I would like to mention the kindness in the singing platform shown to the children - wonderful to see!

A wet afternoon of sport, but nothing will stop the keen players. Well done for the team spirit and determination shown. I was able to see the U13A Football, where the perseverance shown by both teams was wonderful - a super game.

Groups and their teachers have been working on a masterpiece this week. I keep seeing Egyptian clothed children popping out from the wardrobe after a costume call. I am looking forward to the Matinee performance this afternoon with the last performance on Monday, 18.00-20.00 in The Well. Please do bring cushions for your comfort.

Group 2 extended their learning with a full immersion afternoon, dressed as Victorians experiencing ‘a day in the life of a Victorian child’. From Victorian playground games to baking bread in ODW. I think most children were pleased to be born in the present day!

Steve hosted a moving Remembrance Service this morning. We all joined together for a two minute silence. A very powerful and memorable moment of the day.

**Friday 16 November** - Long leave weekend - School finishes at 16.00 with no Saturday school.

**A little reminder…**

Please could I ask that pupils must have a waterproof coat and sensible outdoor shoes in school. I am really passionate about our children getting outside at break times for some fresh air; a little bit of rain never hurt us when we were growing up. I believe, it isn’t the weather that is inappropriate, it’s the clothes we wear…

Next term’s activities will be released online on Friday 16 November.

Have a lovely weekend and I look forward to seeing you next week.

## Outdoor Work

### Parents' Gardening Group

Everyone is welcome to join the Outdoor Work Parents’ Gardening Group

Following on from feedback at Badley Day that people thoroughly enjoyed the chance to get stuck in, we'll be organising sessions each term for you to get involved - whether to do a specific project, finish off work that the children can’t do or carry out general maintenance around Outdoor Work.

No gardening experience necessary and all equipment including gloves will be provided (plus some tasty nibbles and a cup of tea or coffee to keep your energy up!).

**FIRST SESSION:**

**FRIDAY 30 NOVEMBER**

**FROM 16.00 to 17.30**

So come along and get stuck in - if you can’t make the whole session, that's OK. Just come for as much as you can. Please click the link below to sign up so we can plan refreshments.

What’s Been Happening...

GROUP 2 ART WORKSHOP WITH JO ELPHICK

Jo Elphick, from the David Shepherd Wildlife Foundation, gave an inspiring assembly about the work that the Foundation do to raise awareness of endangered species. She also gave Group 2 a really informative mini-talk about creatures and their habitats, focusing on the snow leopard. Pupils then went on to design their own imaginative creature and habitat.

BLOCK 2 PHOTOGRAPHY WORKSHOP WITH ALI WARNER
GROUP 2 VICTORIAN AFTERNOON

The Group 2s took part in a Victorian Afternoon on Thursday 8 November. After a hand inspection, the children began their Victorian lesson with Mrs Athawes (Sam), Miss Hewett (Rachel) and Mrs Armstrong (Caroline). They were given the school rules, chanted the school motto and did their handwriting and arithmetic in their copybook. Ryan from the Petersfield Museum came to do a Victorian School workshop and they looked at writing on a slate, the cane, chanting their times tables, finger stocks and back straighteners. The children played lots of exciting Victorian games on the playground, then they all headed down to ODW to make some Victorian Damper Bread. The children all looked fantastic in their Victorian costumes and really enjoyed the afternoon.

Sam and Rachel
U9 Netball v Boundary Oak (W 2-1)
The U9's set off to Boundary Oak on a very wet and windy afternoon. They arrived in good spirits and Lyra led an excellent warm up. Dunhurst started off a little nervously, we were playing an U10 team who we had lost to a few weeks previously. However, some excellent defending from Georgie and Liberty soon meant that Dunhurst were getting lots of possession of the ball. Peyton was incredibly unlucky not to score and after the first 2 quarters the score was 0-0. The team changed positions and Annabel, Lyra, Libby and Madeleine worked hard on the centre court and created lots of space. Jemima, who was feeling under the weather, made some excellent connecting passes. Marlowe scored a fantastic first goal and Dunhurst took the lead. Chloe stayed close to her GA and Boundary Oak found it difficult to get the ball into the circle. Dunhurst changed positions again, maintained their excellent defending and Paige scored an excellent final goal.

A well-deserved 2-1 win to Dunhurst.
Karen

U11B Football v Meoncross (L 0-1) (L 0-6)
Due to the poor weather, the teams were in the Sports Hall playing five-a-side matches. This meant that there was plenty of space to get the ball moving and use all the players on the pitch. In the first game, Meoncross had some early pressure but were unable to get through the Dunhurst defence. Some good counter attacks by Dunhurst were repelled by Meoncross and the score going into half time was 0-0. The second half was a similar story, however, Meoncross were able to convert one of their chances leading to a final score of 1-0 to Meoncross.

In the second game, Dunhurst started well, moving the ball into space as well as driving it up field. Unfortunately, this did not lead to any goals. Meoncross then started to starve Dunhurst of possession with some quick paced passes. This lack of possession cost Dunhurst, as Meoncross scored several quick goals without a reply. The final score ended 6-0 to Meoncross.
Duncan

U13 Girls’ Hockey v Seaford College (W 7-0)
On Wednesday, despite the pouring rain, the hockey game started with our push-back and we got off to a good start with Sage, Pandora and Saffi getting the ball into their zone, with Sage scoring. Our defence stayed strong with Issy, Grace and Lola passing the ball to Rebekah who ably fed the forwards, enabling us to finish the half 4-0 up. Goals were scored by Saffi, Rebekah and Issy. Seaford added another player to their team, but we dominated the second half by retaining possession and scoring three more goals, including one from Pandora. Unfortunately, Millie in goal did not have much to do! This game helped us prepare for our tournament next week.

Well done to Sage and Lola for getting ‘Bees’ Knees’ award and thank you to Debbie for taking us.
By Lola and Issy.
U13 Netball v Prebendal (L 4-5)
Due to the wet weather, the girls played inside which provided a fast paced game of Netball. Prebendal were strong from the first whistle and attacked with pace. Maddy and Sophie S worked tirelessly in defence limiting the opposition's shooting opportunities. Posy was strong as Centre throughout the whole game, where she linked the ball well from defence to attack. Millie and Mia were strong in the shooting circle and in the 3rd and 4th quarters, they worked well together to create space to score 4 goals. Sophie, Georgie and Anna were dynamic as the wings, where they always made themselves available for the ball. The game ended 5-4 to Prebendal and Dunhurst were unlucky not to win the game, after coming back from 3-0 down and were winning in the 4th quarter. Well done to Mia and Maddy for being named the Bees’ Knees.

U11B v Prebendal (L 0-6) (L 0-2)
This team played 2 quarters against the A team and 2 quarters against the Bs. They played Prebendal A team first, which was played at a high pace from the off. This was a true test for Dunhurst and Daisy was great as GD, where she marked the GA tightly and made some vital interceptions. This was definitely a defensive game and Polly played well as GK, marking the shot well to put pressure on the shooters. The game ended 6-0 to Prebendal. The second game was played at a better pace, Dunhurst were more composed on the ball and created space for themselves. Sophie L played well as C, ensuring that she received the ball into space every time. Emily M and Emily D were quick to get into space and to mark their players. Charlotte L, Raffi and Mattie did well as shooters. Their opportunities were limited but they did well to create space for themselves to get into a better shooting position. The game ended 2-0 to Prebendal. Well done to Sophie and Daisy for being named the Bees’ Knees.

Shelley

U13A Football v More House (W 4-0)
On a wet and soggy afternoon the MEM pitch was at full capacity with a 12-a-side match, reducing the number of subs getting cold at the side of the pitch. This meant the boys would have to play quick, passing football, with little time or space in possession. Although this took the first 5-10 minutes of the game to adapt to, the team did not disappoint. More House were a strong and physical side, but the Dunhurst elite were more than a match for their opponents. Chances started coming, but some excellent saves and quick-thinking goalkeeping kept the score at 0-0. It wasn't until just before half time the deadlock was finally broken. A low cross by Rhomey, deflected into the defender's path, though Hector was more determined to get to the ball and poked Dunhurst into the lead.

The second half continued to be an even contest, with More House threatening to get back into the game on the counter attack. Some solid defending by the backline prevented this and allowed a number of quick counter attacks. Eventually the pressure paid off and Dunhurst were 2-0 up with a good finish by Rhomey, after some neat work in the box by Sol. This was followed by two further goals – Sol from inside the box and a great run by Jago which he finished neatly himself. Another great result, which leaves the team on 9 points at the top of the league, with three wins from three matches.

Will

U13B Football v Moor House (D 4-4)
The U13B played at home again on the Steephurst pitch. The game kicked off and, as each side gave as good as they got, it looked like we were going to be in for a very even game. Moor House did open the scoring though to go 1-0 up. Dunhurst did not take too long to respond. Dom R was upended in the box and he stepped up to coolly slot the penalty home to make it 1-1. The rest of the half belonged to Moor House. They scored a further 3 goals and it could be argued that Dunhurst were lucky to go in at half time only 4-1 down.

Dunhurst were determined to respond in the second half and respond they did. Milo S followed up a shot in the opposition area and drilled the ball home from six yards out to make it 2-4. Archie C then scored a pearler, curling the ball over the keeper from just outside the box to make it 3-4. With time running out, Archie C was then put through on goal. He still had a lot to do – having to run with the ball almost for half the length of the pitch. He controlled the ball and bore down on goal, before planting the ball wide of the keeper in to the back of the goal, to make the final score 4-4 in what was a thrilling match.

Company Chameleon presents ‘10’ At the Bedales Theatre

Tickets at www.bedales.org.uk/event/10 (£12.00/£10.00)

National Dance Award nominees, Company Chameleon rewind and fast forward in a new triple bill celebrating their 10th anniversary year.

Featuring three dance pieces, which use engaging and athletic choreography to explore human and personal issues, 10 showcases Chameleon’s trademark style of creating socially relevant dance theatre that is both powerful and original.

*Rites* the first major piece of work made by the company in 2007, is a male duet about growing up on the journey from boyhood to manhood, exploring the question, what does it mean to be a man? *Imprint* a new trio by Kevin Edward Turner, is unashamedly about love, romance and relationships, and the imprint they leave on us; and Anthony Missen’s new solo, *Trip*, takes you into the dark arena of self-deception, exploring the line between true and false identity.

See the piece that launched Chameleon onto the dance scene a decade ago, alongside two new works by the Company’s founders. Inspiring and insightful, retrospective and up-to-the-minute, 10 promises to be a triple-bill that is truly of its time.

"Beautifully revealing...unforgettably good." Judith Mackrell, *The Guardian*
Teen Tips Parenting Workshop

On Wednesday 14 November 2018 we are running a Teen Tips Teens Parenting Workshop at Dunhurst. This workshop is suitable for anyone with children approaching adolescence and is designed to give parents a better understanding of teenagers; the tools and skills for a smooth ride through adolescence and a forum to exchange ideas and thoughts with other parents.

It will be run by Alicia Drummond of Teen Tips who is a BACP accredited counsellor, parent coach and pastoral care consultant who has been working with teenagers, parents and teachers for the past ten years both in private practice and in schools.

The workshop covers:

- teenager's emotional, physical and cognitive developmental needs drive behaviour
- how our role as parents needs to change as they change
- how to open and maintain lines of communication
- how to reduce conflict
- how to set boundaries (and what to do when they are broken)
- how to motivate teens to do what they need to do with a minimum of resistance
- how to set teenagers up for success
- how to build self-confidence
- plus party-guidelines, social networking, gaming, relationships, peer pressure, pornography, drugs and alcohol

There is lots more information and testimonials on the Teen Tips website but to give you an idea of what others have thought, parents have described the workshop as “enlightening, practical, pro-active, helpful, thought provoking and surprisingly humorous”. “If you want to be reassured that you’re not alone in the trials and tribulations of raising teenagers, Alicia will do it – a no nonsense, positive approach that is refreshingly human”.

The day will begin at 09.00am and finish by 13.00. Tickets cost £60 per person to include refreshments and course materials and can be booked on the workshops page of the Teen Tips website.

BACK
WE WILL REMEMBER THEM

REMEMBRANCE ASSEMBLY

On the 11th hour of the 11th month staff and pupils commemorated the centenary of the Armistice at our Remembrance Assembly.

At Bedales students heard in much more detail about three Bedalians who died in 1918. Our Founder, Mr. Badley, wrote the poem below which was dedicated to Oswald Horsley, and read at his burial. Oswald was an extremely courageous man, injured three times at the Front. He suffered considerable abdominal wounds but he continued to command his troops from where he lay injured and he was awarded the Military Cross. The day before he died in a test flight, having refused to retire after his injuries, he came back to Bedales. As he left, he said he’d be back in a week. Tragically, he was right, as his body was brought back to the village for burial.

To O.H.

At parting, five short days ago
“This time it’s not for long” you said;
“You’ll see me back within the week.” And lo,
Your comrades bring you dead.

Their task done, each in token how
They prized their sunniest, bravest, best,
Advancing, gives the last salute; and now
They leave you here, to rest,

Where, by the old grey church, the view
Of half a county, weald and hill —
Wide almost as your vision from the blue —
Lies round you silent, still.

Rest, then, where you so loved to be,
Living, and, dead, be with us yet,
You have come back to us again, and so
Like you, we’ll not forget.

J H Badley
