Three Schools’ Bus Service

Booking Form

Name of Parent: ...........................................................................................................................................................................

Name of Student: .........................................................................................................................................................................

School: ............................................................................................................. Block/Year: .............................................................

Route1: ..........................................................................................................................................................................................

Pick up point1: .............................................................................................................................................................................

1 Please see attached information

I agree/disagree2 to my phone number appearing on the Parent chain list (sent to each parent on the route).  2 Please delete as appropriate.

The charges shown in the attached information are per term irrespective of the length of the term and will be in advance alongside the school fees. Once you have booked a place on the minibus service, we would need a term’s written notice from you to cancel this.

Signature of parent: .................................................................................................................................................................

Date: ..........................................................................................................................................................................................

Please note: In the event of a problem occurring on the morning (such as sudden severe weather or bus breakdown) I have asked the drivers if they could ring the first pick-up on the list for each route they do and then if each parent could ring the next parent, this would hopefully be the speediest way to let everybody know. Obviously, if there are any foreseen problems we will let you know in advance; do keep an eye on the Bedales website ‘Today’s Events’ for any updates. Please do let me know if you have any concerns.
