**Personal Consultation Style with Alexandra Eno**

Style Consultation at The Eno Edit - Approx 3 hours

Is your wardrobe a mish-mash of colours and styles of clothing making it difficult to put outfits together? Do you feel out of your comfort zone if you need to be casual or dressy? Or do you compare yourself to others who you feel are dressing better than you? It is natural for us to compare but this can be the thief of joy! Knowing your personal style should take away the need for comparison and replace it with confidence. Confidence in yourself, because you are expressing who you are. Not only that, when you are shopping, you should find it helps you to make more considered choices so you won’t buy things that end up sitting in your wardrobe. Getting ready each day should become easier too because if you’re buying clothing in your style, your wardrobe will become more coordinated. If this sounds like music to your ears, let me help you find your style and show you how it will work for any occasion so that you can feel comfortable and confident in yourself.

Lot 38
‘Forgetting Firenze’ Charcoal on Fabriano 5 45x33 cm framed

From roaring nightlife to peaceful yoga retreats, Ibiza’s hippy-chic atmosphere is its hallmark. This quintessential Mediterranean hotspot has served as an escape for artists, creatives, and musicians alike for decades. It is a place to reinvent oneself, to walk the fine line between civilization and wilderness, and to discover bliss.

Ibiza Bohemia explores the island’s scenic Balearic cliffs, its legendary cast of characters, and the archetypal interiors that define its signature style. It is a love letter to the island Maya called home for many years.

British artist Fran Richardson makes charcoal drawings and monochromatic paintings that explore the domestic interior as a visual representation of psychological space. Richardson was shortlisted for the Jerwood Drawing Prize and has been awarded the drawing prize at the National Open Art Competition, The Brian Sinfield Fine Arts Award at Pastels Today, and the Visitors’ Choice Award at the Brighton Festival Selectors’ Choice exhibition. Drawings were also included in the Manifest International Drawing Annual IV, and Drawing Room II, a survey of contemporary drawing at the Royal West of England Academy.
